

Berkeley-Exeter Postclassical *Uṣūl al-Fiqh* Text Reading Workshop

Auxiliary Juristic Sources: *Al-Istidlāl – al-adilla al-mukhtalaf fihā*

20th-22nd July 2022

Exmouth

Programme

Welcome to Exmouth – if the good weather holds we will have a lovely few days by the seaside, enjoy some of the local scenery, eat some local produce and read some *uṣūl al-fiqh*. A perfect few days for what will probably be our last Berkeley-Exeter *uṣūl al-fiqh* reading workshop.

Below is the programme – the usual caveats apply:

The timings are reasonably fixed as we are dependent on others for our catering needs – but the order is very flexible – we can swap texts and presenters around as it suits us.

The workshop is relaxed and there is always space for people to explore ideas – go down blind alleys – confess to misunderstandings and ask each other as colleagues for help and advice.

Any questions we have some phone numbers:
